Skilled in Telecommunications and Technological settings. Adaptable and driven with a strong work ethic and ability to thrive in team-based or individually motivated settings.

WORK EXPERIENCE

BRANDSMART USA
7260 North Kendall Dr
Miami, FL 33176

2021-2023

- As a cashier, I efficiently processed transactions, assisted customers with inquiries, and ensured exceptional customer service to enhance their shopping experience and drive sales. During my time working there, I found myself helping customers and colleagues in any way that I could to ensure the highest level of customer service and work environment.

SKILLS

- Logic Pro X

With five years of hands-on experience in Logic Pro X, I've cultivated a deep understanding of its intricacies and functionalities. From composing and arranging music to editing and mixing audio, I've utilized Logic Pro X to its fullest potential.

- wWise

With four years of experience in audio middleware like Wwise, I've honed my skills in seamlessly integrating sound files into digital audio workstations (DAWs) and meticulously preparing them for integration into developers' game engines. Additionally, my expertise extends to four years of hands-on experience in foley, a specialized form of sound design. I've adeptly utilized Foley techniques to craft immersive audio experiences, integrating them seamlessly into various projects. Whether enhancing environmental ambiance or creating dynamic sound effects, my comprehensive skill set ensures that audio elements enrich the overall gaming experience with precision and creativity.

- Pro Tools

With four years of dedicated experience in Pro Tools, I've developed a strong command of this industry-standard digital audio workstation. From recording and editing to mixing and mastering, I've leveraged Pro Tools to achieve professional-grade results across various audio projects. Whether working on music production, post-production for film and television, or sound design for multimedia projects, I rely on Pro Tools' robust features and streamlined workflow to execute tasks with precision and efficiency. My proficiency in Pro Tools allows me to tackle complex audio tasks confidently, delivering top-notch results that meet the highest standards of quality and creativity.

LANGUAGES AND EDUCATION

- English & Spanish- Read and Write

Full Sail University 2020-2024 **BA of Science in Audio Production**

My education at Full Sail University equipped me with a comprehensive understanding of audio engineering, preparing me for a career in the industry. Through hands-on experience and coursework, I honed my skills in mixing and mastering using industry-standard software like Logic Pro X, wWise, and Pro Tools. As a fast and visual learner, I adapt quickly to various environments, ensuring proficiency in executing complex audio projects with precision and creativity.
